This Credit Application and Agreement (this "Application") is submitted by the enterprise described above (Applicant") to 888 Digital, Inc. in order to obtain trade credit. 888 Digital, Inc. reserves the right to decline credit to Applicant and in the event credit is extended to Applicant, to change or revoke Applicant's credit limit on the basis of changes in 888 Digital, Inc.'s credit policies or Applicant's financial condition and/or payment record. In order to induce 888 Digital, Inc. to extend credit to the Applicant, the undersigned individual ("Guarantor") does hereby unconditionally and personally guaranty the prompt and complete payment when due of all bills, invoices, advances, debts, obligations and liabilities from the Applicant to 888 Digital, Inc., whether now existing or hereafter arising (collectively, the "Debt"), made, incurred, or created now or later, which may at any time be owing from the Applicant to 888 Digital, Inc., together with all costs, including fees of legal counsel, incurred in collecting any or all of the Debt, and the Guarantor does hereby promise to pay to 888 Digital, Inc. on demand all such amounts. In the event of default, Applicant and Guarantor jointly and severally agree to pay interest on the unpaid principal balance due at ten percent (10%) per annum or the maximum rate permitted by law, whichever is greater. Guarantor's liability under this Guaranty is unlimited and this is a continuing guaranty relating to any indebtedness of Applicant to 888 Digital, Inc., including any indebtedness arising under successive transactions, which may either continue the indebtedness or from time to time renew it after it has been satisfied. Any indebtedness of Applicant now or later owed to Guarantor is subordinated to the Debt owed from Applicant to 888 Digital, Inc. Guarantor represents and warrants that Guarantor has derived or expects to derive a financial advantage from extension of credit from 888 Digital, Inc. to Applicant in connection with the Debt

Guarantor authorizes 888 Digital, Inc., before or after revocation, without notice or demand, and without affecting Guarantor's liability under this Guaranty, from time to time: (1) to allow Applicant to create new Debt; to renew, extend, accelerate, compromise, and otherwise change the time for payment of the Debt; and to modify any other terms of, any or all of the Debt; (2) to settle, release, compromise with the Applicant; and (3) to assign this Guaranty, in whole or in part. Guarantor waives any right it may have to require 888 Digital, Inc.: (1) to proceed against Creditor or any other person liable on the Debt; (2) to have the property of Applicant first applied to the discharge of the Debt; (3) to pursue any other remedy in 888 Digital, Inc.'s power. Guarantor waives: (1) all presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor, notices of default, and notices of acceptance of this Guaranty and of the incurring of new or additional Debt or the extension or nonpayment of Debt; (2) any right Guarantor may have to require that an action be brought against Applicant or any other person or entity as a condition of Guarantor's liability hereunder; (3) any defense arising from the absence, impairment, or loss of any right of reimbursement, contribution, or subrogation, or any other right of Guarantor against Applicant or any security, whether resulting from the election by 888 Digital, Inc. or otherwise; (4) any defense arising from any cause whatsoever, including without limitation the 888 Digital, Inc.'s act or omission, resulting in the cessation of Applicant's liability to 888 Digital, Inc. for the Debt, either in whole or in part; (5) to the fullest extent permitted by the law, of the jurisdiction that has jurisdictions over the debtor. To the extent permitted by said jurisdictions Law, the debtor waives any defense that it has to any judgment entered of any court of competent jurisdiction.

888 Digital, Inc. may at any time, without notice to, or the consent of the undersigned, make any changes in the terms of the Debt, take or fail to take any action of any kind in respect of any security for any Debt, exercise or refrain from exercising any rights against the Applicant or others of compromise or subordinate any Debt. Guarantor assumes responsibility for being and keeping informed of the financial condition of Applicant and of all other circumstances bearing on the risk of nonpayment of the Debt, which diligent inquiry would reveal, and 888 Digital, Inc. shall have no duty to advise Guarantor of information known to it regarding that condition or any such circumstances. On 888 Digital, Inc.'s request, Guarantor will promptly provide complete and current financial statements and such other financial information about Guarantor as 888 Digital, Inc. reasonably requests. At its election, 888 Digital, Inc. may exercise any right it may have against Applicant or any security held by 888 Digital, Inc., including without limitation the right to foreclose on the security by one or more judicial or non judicial sales, whether or not every aspect of any such sale is commercially reasonable, without affecting or impairing Guarantor's liability under this Guaranty, except to the extent that the Debt is paid. Guarantor acknowledges that he has discussed with legal counsel the effect of the above waivers on rights and remedies he might otherwise have. This guaranty shall be binding upon the undersigned Guarantor and its successors and assigns, jointly and severally, and shall ensure to the benefit of 888 Digital, Inc., its successors and assigns.
